# ABOUT COMPANY

---

Established in 2013, Sama Al Ibd aa is an esteemed Aluminum & Glass Contracting company, dedicated to delivering exceptional services to clients across the UAE. We have a proven track record of excellence and have successfully completed over 150 projects, ranging from buildings and villas to showrooms, factories, and government buildings. Our commitment to quality craftsmanship and customer satisfaction sets us apart in the industry.

At Sama Al Ibd aa, our team of skilled professionals specializes in a wide array of services. We offer top-quality fabrication and installation of aluminum windows, doors, gates, handrail works, kitchen cabinets, cladding works, and glassworks. We take immense pride in utilizing the finest materials and state-of-the-art technology to ensure flawless results. Our focus on precision and attention to detail guarantees that each project is executed to perfection.

## WHY CHOOSE US?

At Sama Al Ibd aa, we stand out from the competition with our unique selling proposition. We offer competitive prices without compromising on the quality of our materials. Our focus on sourcing premium materials and utilizing advanced techniques enables us to deliver exceptional results within tight deadlines. When you choose us, you can expect top-quality products and services that surpass your expectations.

# OUR MISSION & VISION

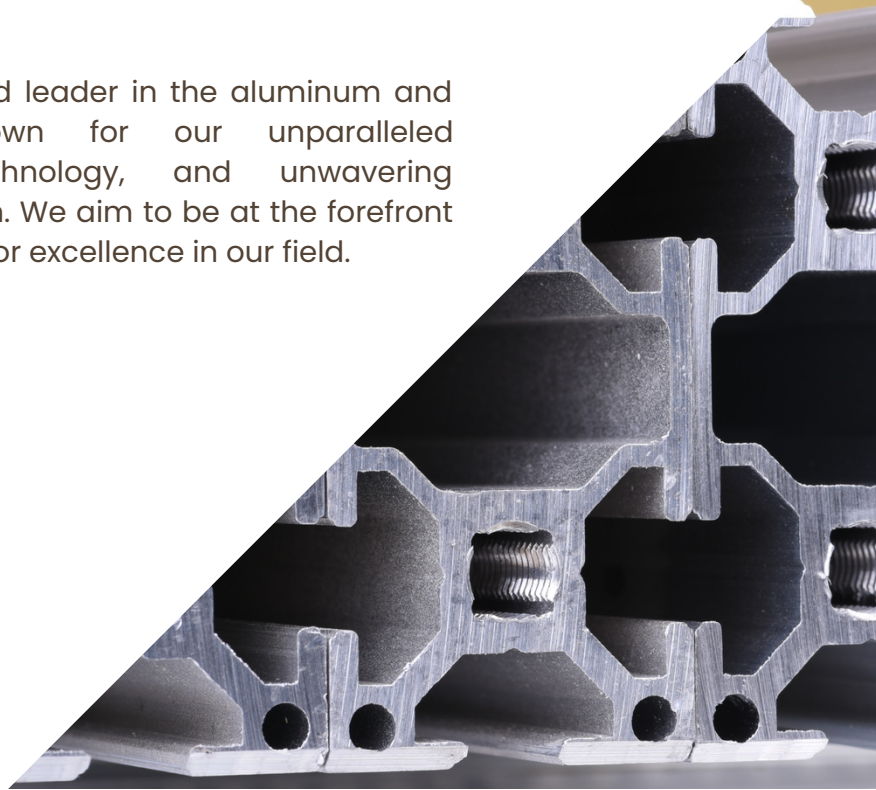

---

## MISSION

Our mission is to transform spaces through innovative and sustainable aluminum solutions, exceeding customer expectations while contributing to a greener future. We strive to be a trusted partner, delivering exceptional quality, reliability, and value to our clients.

## VISION

Our vision is to become a recognized leader in the aluminum and glass contracting industry, known for our unparalleled craftsmanship, cutting-edge technology, and unwavering commitment to customer satisfaction. We aim to be at the forefront of innovation, setting new standards for excellence in our field.

ALUMINUM & GLASS

# OUR GOALS

---

## **DELIVERING EXCEPTIONAL QUALITY**

Our primary goal is to consistently deliver products and services of exceptional quality to our clients. We strive to exceed expectations and ensure that every project we undertake reflects our commitment to excellence.

## **BUILDING STRONG CLIENT RELATIONSHIPS**

We prioritize the establishment of long-term relationships with our clients based on trust, reliability, and professionalism. Our goal is to become a trusted partner, understanding our clients' unique needs and working collaboratively to meet and exceed their expectations.

## **CONTINUED INNOVATION AND ADAPTABILITY**

We aim to stay at the forefront of the industry by embracing innovation and continually evolving to meet the changing demands of our clients. Our goal is to consistently explore new technologies, techniques, and materials to provide cutting-edge solutions that drive the success of our clients' projects.

# OUR SERVICES

---

## ALUMINUM WINDOWS & DOORS

We have a skilled team experienced in the latest technologies, including the curtain wall system for impressive glass facades in commercial buildings. Our use of strong and durable Arabian extrusion aluminum profiles ensures customized windows and doors that perfectly match your preferences. With a variety of styles, colors, and finishes available, we deliver high-quality products for both residential and commercial spaces, tailored to your specific needs.

## KITCHEN CABINETS

We specialize in high-quality, customized kitchen cabinets designed to match your unique style and space. With a wide range of door types and finishes to choose from, you can create the perfect combination that suits your needs. Our precise measurements guarantee a seamless fit, while our marble countertops add durability and elegance. We prioritize quality sealing to prevent water damage and provide strong sinks and faucets for convenient kitchen use. With our attention to detail and commitment to customer satisfaction, we deliver top-quality products and services that exceed expectations.

## HANDRAILS

We specialize in custom handrails that prioritize safety while meeting your specific preferences. Our expert team uses high-quality materials and modern techniques to create handrails that seamlessly blend with your property's architectural style. With various styles, finishes, and colors available, we ensure a perfect match to your property's décor. Our handrails are made from durable materials such as stainless steel, wrought iron, or aluminum, known for their resistance to corrosion. Accurate measurements guarantee a precise fit, and our installations adhere to industry-standard techniques for maximum security.

## CAST ALUMINUM

We specialize in creating custom cast aluminum products for a variety of applications, including architectural elements, sculptures, and decorative features. Our expert team utilizes advanced techniques to tailor the products to your specific needs and preferences. With a range of finishes available, such as brushed, polished, or powder-coated, we ensure a unique look that complements your property's decor. Cast aluminum's durability and resistance to corrosion make it a reliable choice that will endure for years to come.

# OUR SERVICES

## CLADDING WORK

Cladding serves as an exterior finish, shielding your structure against the elements while adding a touch of visual sophistication. Choose from our diverse range of materials, including aluminum, wood, composite, and stone, to achieve the perfect look for your property. Our skilled team ensures precise installation using top-quality materials and industry-standard techniques, guaranteeing the longevity and stability of the cladding. We take great pride in our meticulous craftsmanship and unwavering attention to detail, always prioritizing client satisfaction.

## PERGOLAS

Enjoying outdoor life with family is a common practice, and landscaping the garden and pool is usually a considerable expense. To make your backyard a perfect dream space, you can incorporate many unique features. Pergola is a perfect option to define your patio space and enhance the beauty of your backyard. It is now synonymous with a patio roof and will create a comfortable outdoor space that provides shelter from the hot summer sun.

## UPVC WORK

UPVC, also known as unplasticized polyvinyl chloride, is a versatile and durable material that is widely used in construction. We use high-quality UPVC materials to create windows and doors that are resistant to corrosion, wear and tear, and other environmental factors, ensuring that they last for many years. Our UPVC windows and doors come in a wide range of styles and designs, from traditional to modern, to suit your property's specific needs and preferences. We also offer a variety of finishes, such as wood grain, to give your UPVC windows and doors a unique look that complements your property's décor.

## GLASS SHOWER PARTITION

Sama al Ibda is an expert in Glass Shower Partitions, catering to customers in the UAE. If you want to enclose your entire shower area, a glass shower partition/enclosure might be the perfect solution. We have an extensive selection of designs and options for shower partitions that can fit any bathroom size and type. Typically, these partitions are crafted using Tempered Glass, which is impact-resistant and resistant to delamination and corrosion, thereby reducing maintenance expenses.
